August 2008

Asalamualaykum Wa Rahmatullahi Wa Barakatuhu

Dear Parents and Guardians,

As you know, the summer is coming to an end. Soon you will have to go shopping for school supplies and clothes. Just like any other school, we will be starting in August. Our walk-in registration is on August 24th and the first Sunday of school is August 31st. We encourage you to please fill out the attached registration forms and turn them in at the walk-in registration. Registration forms are also available online at www.palmbeachmuslims.com. All payments are due by August 31st. No exceptions.

If you remember, last school year, many of the parents dropped their children late or picked them up late. We want to remind you that the timings are from 10 to 2 and we suggest that you arrive early for drop off and pick up. If tardies are repetitive, we will have to schedule a conference with the parents, student, and the coordinator. Also, when it is time to pick your children up, please come inside the office and sign them out. We will have a sign out binder with the students' names.
